Kevin and Barbara,

Do either of you have Gary's cell number? I have it on my wall in the office but I am working from home. I would like to call him and get the dates so I can send this out.

Dipanjana --

My comments regards item #2. It would be helpful if the date of the drafting of the schedule be added. I don't know what the last schedule is, and it would be helpful if the most recent be passed along to me.
